

COVID-19 FREE Technology Partner Offers

Many technology providers are offering free services for a limited time to select groups of customers, or have enhanced their free service offerings during COVID-19.

Please note: This document is not exhaustive of all offers and there is a possibility that the offers may not be up to date as listed below. [Contact us](#) directly for guidance on the most current COVID-19 technology offers and promotions.

Video Conferencing:

[Cisco Webex](#) has boosted the capabilities of its free version, removing time limits on meetings and now supporting up to 100 people on a call.

[Google](#)'s G-Suite for Non-Profits and G-Suite for Education services are free, and current G-Suite customers now have free access to Meets videoconferencing.

[Zoom](#) has a free version, and has removed the 40-minute meeting limit on its free Basic accounts for students and teachers at K-12 schools.

[8x8](#)'s free version offers unlimited meetings, no meeting time limits, and free dial-in with toll-free numbers.

Cloud Communications:

[RingCentral Office](#) is free for a limited time for K-12 schools, healthcare providers and nonprofits.
